Former council candidate charged with assault

Elliott Bott allegedly sprayed neighbor in the face with a pesticide Thursday

From LDR Staff

A former Lebanon City Council candidate faces an assault charge after he allegedly sprayed his neighbor with an unknown type of pesticide.

Elliott James Bott, 50, was behind bars at the Laclede County Jail early today. He has been charged with a class A misdemeanor of assault in the third degree, according to a probable cause statement released today by the Laclede County Prosecuting Attorney's office.

Bott

Officers were called at about 7:30 p.m. Thursday to the 900 block of New Buffalo Road after a man reported that his neighbor, later identified as Bott, had sprayed him with the substance. The victim told police that he was working in his backyard when Bott allegedly stated he was going to kill him.

The neighbor continued to work in his garden and felt something wet hitting his back. When he turned around, he alleged that Bott was spraying "some kind of pesticide" on him, then sprayed him in the face about three times, the statement said.

When officers arrived, they made contact with Bott, who was standing in his back yard. Officers observed the container the other man described as the one Bott used to spray him.

JEB expected to end year with healthy balance

Extra federal money helps bottom line

By Ken York
The Daily Record
kyork@lebanondailyrecord.com

It looks like the Joel E. Barber C-5 School District will end the fiscal year with nearly twice as much cash as it expected, Superintendent Tina Nolan told the school board Thursday.

Nolan had conservatively predicted a budget surplus of about $330,000, but now it looks like Barber will have about $635,000, she said.

"It's an estimate of how we'll end the year, but it's just an estimate. We won't have the for-sure figures until ... the 26th," Nolan said. The board scheduled a special meeting for June 26 to close out the fiscal year.

"Eight years ago this number was red, for a couple years, actually," said Board President Jack D. Glendenning. "Good job."

Crawford, Franklin speak to Rotarians

Laclede County's state representatives discuss recent legislative session

By Fines Massey
The Daily Record
fmassey@lebanondailyrecord.com

With the state legislative session recently coming to a close, Laclede County's two state representatives visited Lebanon Thursday to give a wrapup of what's happening in Jefferson City.

Missouri state representatives Sandy Crawford, R-Buffalo, and Diane Franklin, R-Camdenton, discussed the recent legislative session with the Lebanon Rotary Club on Thursday. The two legislators, who each represent half of Laclede County, were also made honorary members of the civic organization.

Crawford

Franklin

With Gov. Jay Nixon recently vetoing several bills, Crawford explained that the legislative process can be a very difficult one. Out of the more than 1,500 bills filed this year, only 164 passed both the Missouri House and Senate. Those bills have to then be sent to the governor for final approval. Of those bills, so far 26 have been signed into law by the governor and five have been vetoed.

"It's very hard to pass a law, and it should be. We don't want every little thing to pass that comes down the pipe," Crawford said.

This session, two bills that Crawford sponsored were passed by both the House and Senate. One bill changed laws regarding county collectors and the other changed the qualifications for county treasurers and collectors.

"I guess I was a local government person this year," she said.

A car show with a cause

From LDR Staff

Anyone who might be looking for some weekend entertainment, daydreaming about cars, wanting to make a difference or just wondering what Santa Claus does over the summer should drop by the Kenneth E. Cowan Civic Center this weekend.

On Saturday, the Civic Center will be the location of the second annual Breast Cancer Wellness Summer Fun Car Show. Breast Cancer Wellness is a magazine geared toward people who have been affected by breast cancer. According to Breast Cancer Wellness fundraising coordinator Pam Weaver, however, in addition to publishing a magazine, Breast Cancer Wellness also conducts programs to help newly diagnosed and stage four breast cancer patients. NBA FINALS

Heat even NBA Finals after win

Miami's Big Three combine to score 85 points as Heat runaway from Spurs

The Associated Press

SAN ANTONIO — LeBron James wanted the responsibility on his powerful shoulders.

Dwyane Wade and Chris Bosh proved Thursday it doesn't have to be that way.

James can win the Miami Heat plenty of games, but even he can't win a title alone.

"We're not going to win this series if myself, Chris and LeBron don't show up to play on a consistent basis," Wade said.

"So tonight was kind of one of the best performances that we all had in the playoffs together at the same time, just being aggressive from start to finish, and hopefully that's what we can see for the next three games."

Riding big performances from their Big Three, the Heat tied the NBA Finals with a 109-93 victory over the San Antonio Spurs in Game 4.

"It was on our shoulders," James said. "We had to figure out how to win the game for us and play at the highest level. When all three of us are clicking we're very tough to beat."

James had 33 points and 11 rebounds after failing to break 20 points in any of the first three games of the series, and Wade scored 32 points, 11 more than his previous high this postseason.

Bosh matched his playoff high with 20 points and grabbed 13 rebounds, he and Wade supplying the baskets that finally put the Spurs away for good midway through the fourth quarter.

Three players, 85 points. Just the way the Heat envisioned it when they signed James and Bosh to play with Wade in 2010.

"The death of the Big Three was overrated," Heat owner Micky Arison said as he walked toward the winning locker room.

AP photo/Eric Gay

Miami Heat's Dwyane Wade (3) dunks against the San Antonio Spurs during the second half at Game 4 of the NBA Finals basketball series on Thursday in San Antonio.

Sure was. His three prized players are just fine, and so are the Heat's championship hopes.

"When Bosh, Wade and James score the way they did tonight and shoot it the way they did tonight, a team is going to have a difficult time if you help them like we did," Spurs coach Gregg Popovich said.

"When those guys are playing like that, you better be playing a perfect game."

The Spurs weren't, committing 19 turnovers that led to 23 points.

And just like they have for the past five months, the Heat bounced back from a loss with a victory. They are 12-0 after defeats since Jan. 10, outscoring opponents by an average of nearly 20 points in the previous 11 victories.

Tim Duncan scored 20 points for the Spurs, who have one more game here on Sunday. They fell to 10-3 at home all-time in the finals, failing to back up their 113-77 victory in Game 3 that was the third-most lopsided score in the history of the championship series.

James insisted he would be better after shooting 7 of 21 from the field with no free throws in that game, saying he was the star and it was his job to lead his team. He was 15 of 25 on Thursday.

SPORTS IN BRIEF

Wainwright leads Cards over Mets and Harvey

NEW YORK — Adam Wainwright used to be a creature of routine leading up to each start.

"Same sleeping shirt the night before," the St. Louis Cardinals ace said. "I couldn't wear blue jeans. I had to wear the color red. Are you kidding me? It was ridiculous. If I didn't have any of that, or worse, if something was thrown off, then instantly I was thinking, 'Oh, man, I'm in trouble.' And that's ridiculous. It has nothing to do with getting anyone out. I figured that out somewhere along the line."

With rain falling in the morning and clashing forecasts for the afternoon, Wainwright wasn't sure whether he'd pitch at all Thursday.

Cardinals manager Mike Matheny told him about 80 minutes before start time to get ready, so Wainwright shortened his pregame routine and then pitched seven scoreless innings to become the major leagues' first 10-game winner. In a classic pitching matchup, his 2-1 victory over the New York Mets sent Matt Harvey to his first loss of the season.

"We had two Cy Young candidates going at each other," said Matt Carpenter, who tripled in the go-ahead run in the third and preserved the lead with a sparkling stop at second base in the ninth.

Some forecasts had predicted up to 3 inches of rain.

KANSAS CITY ROYALS

Johnson comes up big for KC

Kansas City Royals' Elliot Johnson, right, follows the flight of his three-run home run off Tampa Bay Rays starting pitcher Jeremy Hellickson during the sixth inning of a baseball game on Thursday in St. Petersburg, Fla. The Royals' Miguel Tejada and David Lough scored on the hit. Catching for the Rays is Jose Molina.

Second baseman hits three-run homer against former team

The Associated Press

ST. PETERSBURG, Fla. — Elliot Johnson has some fond memories of his years with the Rays. None might have been sweeter than his return to Tampa Bay with the Kansas City Royals on Thursday night.

Johnson had a three three-run homer for his second hit of an eight-run sixth inning, leading the surging Royals to a 10-1 victory over the Rays.

"It's hard to describe the first time back," he said. "I wish everyone would get a chance to understand what it's like and it's really hard even to put into words."

Traded to Kansas City by the Rays in February, Johnson led off the big inning with a single and chased Jeremy Hellickson (4-3) with his second homer of the season, both coming off Hellickson.

Johnson got his third hit of the game in the eighth inning and is 6 for 11 with four RBIs against his former team while batting .202 with three RBIs against every other team.

"When they came into our place, I had a good series there," Johnson said. "I wasn't really playing that well, and Ned (Yost) gave me some opportunities to play against them. I picked it up and today played well again. It's good to get them any way you can, but it feels good to get them against them, of course. (Former Rays pitcher James) Shields said the same thing; he wishes he could pitch here."

"He gets fired up playing against these guys and he really helped us out today," said Eric Hosmer, who homered off Jake Odorizzi in the seventh.

Ervin Santana (5-5) gave up five hits and an unearned run in 7 2-3 innings.

The Royals, who have won eight of nine, set a franchise record by holding an opponent to three runs or fewer in a 12th straight game.

"Everything is going our way right now so we have to keep that up," Santana said.

Hellickson lost for the first time since April 25, giving up eight runs on 10 hits in 5 2-3 innings. He retired 15 of the 16 Royals he faced in the first five innings.

HARVEST TABERNACLE

By Mazie Davis

"If you want to lighten your burdens — carry someone else's."

My love and congratulations to Richard and Jenny Nogales, who were married in a beautiful ceremony Saturday evening. I love them very much and they are wonderful, happy couple. May God bless you always.

Prayers for Kirk Pearce, Sis. Watson, Janie Miller, Gail Miller's family, Paige Lamoine, Keith Shumate and many others.

Our youth attended youth camp this past week. They had some wonderful spirit-filled services and received many blessings from the Lord.

Sunday morning Bro. David opened with prayer, led us in praise and worship and spoke to us about Youth Convention. Bro. Chris greeted the congregation, and gave honor to Bro. Bob and Sis. Katie, who celebrated their anniversary this past week. We were glad to have Bro. and Sis. Allen ministering in our service. Sis. Allen blessed us in song, "God is greater than the need." Bro. Allen opened with prayer and brought us a good message from Philippians 4:19, "If you have a need — I have a God."

Sunday evening Bro. and Sis. Allen ministered in our service. Reports were given of the blessings of Youth Convention. At the close of the service we had a baptism in Jesus name.

TRINITY EPISCOPAL

By Karen Miller

Father Miller gave another topical sermon last Sunday. The sermon was on discipleship. He told us we are not volunteers, but people called by God to follow Him.

The Wednesday Bible Study group will begin the study of the Letter of Paul to the Romans. They continue to meet at 11:30 a.m. at the church.

Our services are Wednesday at 5:30 p.m. and Sunday at 9:30 a.m.

We are located at 100 Harwood. Our website is TrinityLebanonTCL.org.

WHITE OAK POND (CUMBERLAND PRESBYTERIAN)

What a week blessings we enjoyed at WOP starting with a successful week of VBS, culminating with the program. A special thanks to all who participated in any way. We also had a lovely wedding joining Angela Mizer and Dustin Davis in marriage and, finally, following worship we had the Women's Ministry birthday dinner — a special celebration featuring beautifully decorated cakes and tables and loads of tasty food! Again, thanks to all involved in this endeavor. It was appreciated!

Bro. Terry told us "It's Getting Worse" (John 15:18-25). Jesus told His disciples that the world hated them, just as they hated Him. This attitude still prevails for believers and is getting worse every day. However, we must continue to love forgivingly and unconditionally and serve Him daily, bearing witness to all of His love. We're called to "heap coals of love" on all who hate us and our enemies. Remember, we've got the love of God on our side. He set the example for us.

The worship helpers were Remington Davis, Olivia Pruitt, Mariah Jones, Anthea Siow, Jennifer Vandergrift and Kim Agee. Thank you, all.

Nick and Kim Nichols and Mikey had a good time in Florida celebrating her dad's 90th birthday. Praise was given for a good VBS and program and for the blessings of being involved in it. Congratulations to Angela and Dustin! Jason, Terri Jo, Jackson, and Preston were here for the wedding. Praise was given for better health for David Wood, Amy and Claire Cofer, and John Morgan. It was so good to have June and Miles Appling with us!

We send sympathy to the J.D. King family in the loss of his dad, Emmett and to Johnnie McCloud in the loss of her aunt. Sympathy goes to all who are grieving. Travel grace was asked. Remember Irene Blackburn, David Wood and Maxine Nichols in your prayers.

June 16, 6:30, Committee meets. June 20, 1:30, Circle 2 will be held at Roberta's. July 14, 6:30, Session meets. July 18, 1:30, Circle 2 meets. July 21, 6:30 it's Committee meetings. Check the church website for camp dates.

Please come join us in worship. You'll find a warm welcome!

TRINITY LUTHERAN

By Lorna Beall

In Pastor Dave's Sunday sermon he spoke about Luke 7: 11-17 where Jesus brought a young man, the son of a widow, back to life. What an amazing miracle! Pastor reminded us that our salvation in Christ is an even more amazing miracle. We were dead in sin and Christ brought us to life. New life in Him. And eternal life!

We were happy to see several visitors. One, who was a participant in her own church's Outreach Department, was interested in how we used the witnessing tool of our John 3:16 pendants. The other, who was visiting with her husband, reminded me that when they'd last visited, she'd brought a witnessing tool to our Ruth Circle Chairman's attention: The wonderful Christmas "Nativity" car details.

We at Trinity always love it when visitors join us in worshipping our loving Lord and Savior.

COMMUNITY BAPTIST

By Crystal Doublin

It was another nice Sunday at Community Baptist with special singing from Chris Judy and the sermon "A Prescription for Peace" from Isaiah 26 by pastor Reeves. Our teens were also back from a week at camp. What a refreshing time of Christian fellowship for not only the teens but also for the youth workers.

Sunday evening we enjoyed special singing from Brook Sevick and Cara Sevick. The sermon from Psalm 119 was entitled "David's Favorite Teacher." We also enjoyed camp testimonies from some of our teens and a video of lots of fun times at Triple S Christian Ranch. Monday many of our junior age kids will be leaving for a different camp and boy are they excited! We pray that they make many memories while learning more about God's word.

Friday was another great night at Overcomers! This Christian based group has been going strong since 2002. All are welcome at our church every Friday night at 7 pm. Childcare, transportation and a meal are provided at no charge. We also sign PO papers. For more information call the church office.

What a great start to another week here at Community Baptist, we can't wait to return again on Wednesday for a refreshing midweek service and then on Thursday for soul winning. We invite all who are looking for a church family to join us!

Those who went on the mission trip to Oklahoma arrived home safely. They reported great attendance for the VBS they held there at Ft. Cobb. Two young people were saved during their week stay.

We will have our Second Milers luncheon on June 20 at 11:30 a.m.. It will be a catered event so please sign up if you plan to attend.

Make plans to sign up for our next Stained Glass Theater trip on June 29th.

We are still in need of volunteers to help with our VBS. If you feel led to help, please see Patti Light or Sarah Armstrong.

FIRST CHRISTIAN (DISCIPLES OF CHRIST)

By Jean Ellen Tapp

On Sunday Rev. Greg Turner will bring the message titled "His Father's Eyes" taken from the text Luke 7:36-8:3. This week's selected Scripture text invites us to dine with Jesus as we join him at a dinner party hosted by a man who was a Pharisee. To say that the man was a Pharisee is to say that he was a intentionally committed and observant Jew who was an unquestionably devout servant of God as defined by the most popular interpretations of the Mosaic Law. As the text also reveals the host for the dinner party was also conscientiously committed to maintaining the appropriate social protocol regarding holiness. And so, when the host sees a woman with an apparently questionable reputation enter and scandalously express devotion to Jesus, he (as well as some of his other dinner guests, to be sure) was stunned and rather offended that Jesus does not appear to be outraged or even slightly embarrassed by her personal adoration of him. "If Jesus were really a prophet," the host says to himself, "he would have known what kind of woman it was who exhibited such admiration toward him." The dinner host is quite right. A prophet does indeed see people and life in general from a godly perspective. But that is not to say that Jesus didn't understand who she was. It is to say that unlike his dinner host, Jesus really did see things through his Father's eyes.

Worship begins at 10:30 a.m. Sunday School for all ages is held from 9:30-10:15 a.m.

On Thursday the Christian Women's Fellowship and Christian Men's Fellowship will meet at 6:30 p.m. at the church. The men will host the dinner meal, then each group will meet for their quarterly meeting at 7 p.m.

First Christian Church (Disciples of Christ) is located at 500 S. Madison. We invite you to come and worship with us.

HILLCREST BAPTIST

The morning began with a little rain, but we had a great morning in the house of the Lord. We began with a commercial for our children's musical given by Colton Snow and Micah Veanes. Our children from kindergarten through sixth grade are practicing "We're Goin' Fishin'" to be presented at our annual fish fry at the end of August. If your child likes to sing, it's not too late to join in. They meet each Sunday evening at 6 p.m.

During our mission moment a fundraiser called "Now is your Chance" was explained. We will have a silent auction on July 7 of items donated by members of the church. There will be two winners of each item, the highest bidder and a name drawn at random. All donations will be made to the building fund for our new Family Life Center. Winners will be announced at an ice cream and dessert social on the evening of July 14. So members, decide what you can donate and let's have a good time with this. We also heard from Wade Holcomb, an SBU student who has been on a mission trip to China and is preparing to go to Indonesia.

Our special music during the morning service was "Shine on Us" sung by Kim Stephens and her parents. In the absence of our Pastor, Nick Salsman brought the morning message. It was entitled "Lessons from Zaccheus" and was taken from Luke 19:1-10. There are three lessons to be learned from this passage. Lesson one—let nothing stop you. Zaccheus had to overcome the circumstances that hindered him. He was short and couldn't see Jesus so he climbed a tree, and he was a tax collector who were hated by the people because they cheated people based on the Roman government's rules. Zacccheus didn't give up. Lesson two—He accepted Jesus' invitation. Jesus told Zaccheus to come down because He was going to go to his house with him. He didn't make excuses. Lesson three—Let Jesus change you. There were signs that Zaccheus was a changed man because of meeting Jesus. Because he had cheated people on their taxes, he promised to give back four times what he had taken. Do you want to see Jesus?

Sunday evening's special music was brought by Mary Dudley. Our team who went on the AWANA mission trip to Angola Prison in Louisiana shared about their trip. This is a great ministry that the AWANA's help to provide to the men in this prison so that they can interact with their children one day a year and hear about Jesus.

Upcoming events next week include youth camp at Stoutland from noon Monday till noon Friday, Hilltoppers and Upton Circle on Tuesday the 18th, a trip to the Springfield Cardinals game on the 20th, and a baby shower on the 22nd. We have many other things planned for the rest of June and July, but our main emphasis will be Vacation Bible School which will be held July 15-19 from 6-9 p.m. To kick off our Bible School, we will have a carnival on the church parking lot on Saturday, July 13, from 10:00-12:00. We will have inflatables, face painting, a dunking booth, a duck pond, Plinko, and lots of other games. We will have carnival food—hot dogs, popcorn and cotton candy. All children ages 3 through sixth grade are invited to enjoy this time with us.

CROSS CREEK

We have a busy summer ahead at Cross Creek Church.

We will be helping work on Boswell school on Saturday. We have family camp coming up July 4-6 at Stoutland. We also have kid's camp with Lebanon Family on July 8-11. Our youth will be going to camp in July.

God is awesome and we really enjoy worship time at Cross Creek.

Pastor Dr. Joseph Campbell has begun a new series entitled "The Purpose and Power of a Mantle." This week's message was "The Mantle of Kings". He spoke on the attributes of Godly Kings, the approaches of dysfunctional Kings and the actions of Godly Kings. Cross Creek Church meets at 219 West Second Street in Lebanon. Service times are 10:30 a.m. Sunday and 6:30 p.m. Wednesday. The third Sunday of the month we have divine encounter service at 5:30 p.m. Sunday evening.

ANTIOCH BAPTIST

By Julie Watson

Bro. Jim's morning sermon covered Job 1:1-12, about good weather faith. When some people are blessed by God with good times, think they are faithful, but then hard times come and they are at a loss. Hard times are a test to see if we continue to believe in God's love and protection. We need to accept the good and the bad in life, never give up on God. Have a personal relationship with God. He is our Friend, Constant Companion, Guide..

For the evening sermon, Bro. Jim read Titus 1:1-5, about our God focused goal in life. Our past sins and weaknesses help us sympathize with others having the same problems, hang-ups. No one deserves to go to Hell, not even the worst mass murderer nor our worst enemy. Learn to forgive, as God forgave us upon the cross with His sacrificial blood. God does not have favorites. We are all equal in His eyes. Spread your love and kindness, smile and friendly word, prayers and listening ear, to all people.

Next Sunday evening will be our third Sunday business meeting.

At 6 p.m. June 30 the Singing Cowboys will perform at Antioch. Everyone is welcome.

One of my Sunday School students, Hunter McCabe recited some bible verse he learned at Boys' Camp this week. Soon Hunter will move on to the youth class.

HAZELGREEN UMC

By Ann Doeden

Attendance June 9th was 18. Scripture reading was from Luke 7:11-17.

John Peterson brought the message, as Pastor Ann was attending the UMC Conference in Springfield.

Special music was the congregation's choice, "Blessed Assurance."

A recent birthday was Bob Cheers.

Following our service we enjoyed a time of food and fellowship.

To all the dads, happy Father's Day.

FIRST CONGREGATIONAL (UNITED CHURCH OF CHRIST)

By Rev. Ellen Martin

Last Sunday our worship began with the hymn "He Lives" led by David Smith who is filling in for our director Maggie Corry while she is in Europe. David is doing a wonderful job for us.

Susan Massey read Psalm 146 and special music was done by Jerry Chastain. Jerry always does a beautiful job. Pastor Ellen brought the message from Galatians 1:11-24 titled "Messenger and Message." Paul reminds us that it isn't about the messenger but the true gospel of Jesus Christ crucified and risen that we might receive life everlasting. It isn't us who do the calling but it is God's grace that finds us.

The Mary Martha Circle had a wonderful luncheon at Pastor Ellen's home last Wednesday followed by their business meeting. It was truly a great time to fellowship and enjoy a spring day together.

On the 23rd of this month we will have the gathering with the church providing pork sandwiches and dessert and members being invited to bring a side dish. All are welcome to come to worship and stay for a delicious meal. Also on the 23rd, Vera Harrill will fill the pulpit in Pastor Ellen's absence. Please come and support her and hear the message she will bring during worship.

This Sunday Pastor Ellen will preach the gospel from Galatians 2:15-21 titled "Living in Christ." We are to focus on Christ and the gospel of Jesus Christ rather than be concerned about traditions and doctrines that may vary from church to church. We are cautioned to not put strings attached to the gospel.

Come join us in worship and hear the Word spoken and in song at 10:30 each Sunday. You will be welcomed.

LIGHTHOUSE MINISTRY CENTER

Lighthouse Ministry Center across from I-44 Speedway will hold revival services June 16-21.

Standing Strong Ministries is once again holding a tent revival. Services are 6 p.m. Sunday and 7 p.m. Monday through Friday.

Everyone is invited to attend.

The Problem With Tradition

Those nature shows reveal that even the desert receives rain, making it bring forth and sprout. Life comes forth that would have seemed nonexistent before. After God pleads for us to call on him, for he abundantly pardons, he says his ways are higher than our ways, and his thoughts than our thoughts. This is proven true by those who delight in thinking unbelievers will spend eternity in hell. But we are told to love no less than God loves. "For if you love those who love you, what reward do you have? Do not even the tax collectors do the same? … You therefore must be perfect, as your heavenly Father is perfect." "With the measure you use, it will be measured to you." It was like conversion happened all over again when I found that God does not torment anyone in hell for time without end. Centuries of tradition melted away. Isa. 55; Matt. 5-7.

FAITH & FAMILY

SECOND FWB

By Becky Admire

Good morning! It's a rainy but beautiful morning. Our hearts are heavy but in the same sense we are rejoicing. Our dear Wayne Starnes went to be with the Lord although we will miss seeing him on earth. We are rejoicing in the Lord for Wayne is walking on streets of gold today.

Specials this morning were from Kevin Bilger and Morgan, Ellee and Sadie Jo Douglas.

Pastor brought his message from Luke 23:42. Pastor asked, do you have unfinished business? You know today could be your last day on this earth. Do you have unfinished business with Jesus? You need to be ready for Heaven. Make sure you do not have unfinished business.

My thought for the week: Make Jesus the number one in your life because really He is the only thing that matters.

CHURCH OF THE NAZARENE

Sunday morning is a very special day of the week — why? Because each and every church becomes a place to worship God and the doors open early, rain or shine! This Sunday was no exception and rain was in the forecast but as the day progressed, a sun greeted all. However, some cannot go from their home to church but there is a deep feeling inside which says in a prayer, give a real blessing to our church and a wonderful anointing to the song service, special singing and also, last but not least, bless our pastor as he delivers the good news from the Holy Bible!

Song service began with "We Will Glorify," and the next selections joined together, and then the song "His Name Is Wonderful" was the one that preceded the morning prayer. Our song leader asked that we sing it on a more personal basis and she sung "Your Name Is Beautiful" and it certainly became a bigger blessing. Yes, if we obey the voice, the blessings follow.

Pastor Tim prayed for some folks who have serious health problems and some cannot attend service but I know God understands.

A very special song was sung this morning called "Let There Be Praise' and what a talent did the song — the wife of a retired Nazarene pastor. She is so talented and they both are workers in our church.

Pastor Tim took his sermon from Romans 13:10-14, and he said read it, respond to it, and let it transform you. Wake up! It's time to wake up is what Paul said in his writing.

We must be able to go back and renew our covenant with God. It is easy to go through life sound asleep but when we are asleep we are unaware of what is going on. We must be ready for whatever comes our way. Everything that goes on around us is giving us time to wake up and Jesus is going to return... No, he said he is not a prophet but Paul said soon it will be over and we must be ready, and the apostle said are given time to prepare. We must be sanctified and clothe ourselves in the righteousness of God.

Nothing needs to happen to see Him come back. We must make no provision for the flesh and there is only one way to become ready. We must wake up — the end is near.

Pastor Tim said to us.. is God dealing with anyone here now? Do not disobey God if He is speaking to you?

Our closing song was "Pass Me Not" and the last verse is indelible in this writer's memory — "Thou the spring of all my comfort, more than life to me, who I have on earth beside you, who in Heaven but thee??? Quite a song written by Fanny Crosby in 1868.

Pastor Tim closed the service with thanks to those who attended and asked us to be in prayer for so much is happening in the next few weeks in our church.

Yes, it was a good day and as he continued by saying a broken and contrite heart God will not despise, we need only what God can do in our homes and in our lives. Yes, the coming of the Lord is nearer than we think!

God — keep your hand on our city is our prayer!

FAITH & FAMILY

STOUTLAND BAPTIST

By Marie Brown

Last week was an exciting week with Youth VBS in full swing. The youth enjoyed time together and Bible teaching on the life of the Apostle Paul. One night of study was spent at the Youth Leaders' home, Rob and Sheila Collins. The last night of the sessions there was a cookout at the church with Vera Smith sharing about her missionary journeys. Several of the youth are making plans to attend Youth Camp next week. Girls Camp is this week, last week was Boys Camp. Camp Whoa is the week of the 24th.

This week is the VBS time for younger children. The children will follow the stories of Paul in the New Testament Book of Acts. There will be music, crafts, missions, snacks and much more.

Family hosted a baby shower at the church Saturday afternoon for new arrival Dezman Shorter. Dezman was welcomed home a week ago by his parents, Summer and Eddie and big sister Jazmyn.

Mike and Monica Hill celebrated their anniversary. Birthday wishes went to Lillian Brandt (the same day as Association Director, Perry Wolfe). There was special music by the choir and by Helen Howser. Brother Eddie preached from Luke 5:1-11, asking the question; "Can God Be Trusted?"

Art Gormley Sr. and his wife Lea will celebrate 65 years of marriage this Thursday, June 13. Brother Art was 90 his last birthday and continues to preach. He preached at Hillcrest Baptist Church in Lebanon this past Sunday. Brother Art is from Crawford County, my old stomping ground. Rural Del-Hi Baptist, Cuba MO is my home church. Before the current structure was built in 1959; services were held in the old Del-Hi School on the hill. In the church records around that time, there is an entry that reads' "….there was a great revival in the area…. a fiery young preacher, Arthur Gormley was the evangelist….." I think if records of such events were kept today, that would probably still be the entry.

JOY FOR THE JOURNEY: A man wrapped up in himself makes a very small package. "A fool finds no pleasure in understanding but delights in airing his own opinions. Proverbs 18:2 (NIV)

Keep Looking Up and Listening for the Shout!

FELLOWSHIP BAPTIST

By Patty Dismang

"My son, forget not my law; but let thine heart keep my commandments for length of days, and long life, and peace, shall they add to thee."

Our morning service was opened by Bro. Edward Ruble asking the blessing over our service.

We sang "Glad Reunion Day," "Maybe It's You and Maybe It's Me," and "I Am Bound For The Promise Land." They were led by Sis. Diane Gibbs. She is doing good. The Lord is really helping her with this. You know everyone can't be a good leader unless God is with them.

Our specials were led by Sis. Marian singing a beautiful hymn. Bro. Edward sang "In The Sweet By and By" and Bro. Jaurel testified about setting our eyes upon our destination. We thank God for our minister friends, who come and help us out.

Bro. Sam asked us to remember all the lost. There are so many lost and undone without God. Let us always pray they will turn to God before it's everlasting too late. Remember Bro. Sam, his eyes are bad again and I am having to drive and do everything for him. He has had this before. So pray he will get better, also Sharon, our daughter-in-law is having trouble again with her eyes. Our son Dwight is doing very well for his condition and now my brother Jesse has been down again but thank the Lord he is doing better. Also Sam's sister, remember her, my other brother and sister, keep them on your prayer list. Also Vester W. Williams, Georgia Rector and her kids. We love Sis. Georgia and her family, Jim Wilson, Gary Decker, Donna Hutsell, Bro. and Sis. Fincher, Lucille Jackson, Russell Dickinson, Sis. Margaret Boyer's sister, who fell and broke her leg and Sis. Marian, who fell also, Gary Shelton, Bro. Robinette, Richard and Betty Lathrop, the Starnes family, who lost Bro. Wayne Starnes; our loss is Heaven's gain, Charley Holt and baby Hollister.

Bro. Sam took his text from Genesis 5 and 6. He preached on Noah and the flood and then he preached on the 3rd verse on chapter 6 about the spirit may not always strive with man. This is a warning for the lost.

We were closed by singing "Jesus Paid It All" for our altar song and Bro. Jaurel Fincher closed our service.

Our evening service was opened by Bro. Bill Knapp asking the Lord to come in our midst. Our congregational songs were "I'll Be Listening," "I'll Fly Away," and "Heaven's Jubilee," accompanied by Bro. Charley Slavens on his guitar. Bro. Charley is a good singer and can play that guitar.

Our specials were by Sis. Mary Sue Long singing "Little Is Much When God Is In It," a recorded selection was played by Sis. Geneva Stowe, and Sis. Diane and Bro. Charley sang "When The Saints Go Marching In" and "Will The Circle Be Unbroken." All you guys did a good job.

Bro. Edward preached for Bro. Sam. He took his text from 2 Timothy 1:1-18, Timothy's true personal walk and testimony of a true servant of Christ.

We want to thank our visitors for coming. They were Bro. Charley Slavens, Bro. Ken and Sis. Mary Sue Long. Do come again.

Our altar song was "Amazing Grace." Bro. Charley and Sis. Diane again led the song service. Sis. Patty Dismang closed our service.

PHILLIPSBURG BAPTIST

Why do bad things happen to good people? We ask that question all the time. Job had just about every bad thing that could happen to him happen. He was a good person who served God to the best of this ability, so he could not understand, "why me?" His friends pointed out to him that he must have done something wrong — that it was his fault. The Devil is running loose in the world and we have tried to resist him and stay strong.

We had a great time in the Lord this morning, as Jim Cook was ordained as deacon. Perry Wolfe questioned Jim, the ordained men laid hands on him, and prayed for him. Then Perry gave the charge to Jim. He preached his message from Acts 6:1-7. It was a touching service and will pray for Jim as he became deacon and continues to serve the Lord here at Phillipsburg Baptist. We thank Perry and Mary for coming to share in this service with us.

We were very happy to have several visitors this morning including Terry, Donna, and Nicholas Cook.

If you don't have a place to worship, come to Phillipsburg Baptist. We would be happy to have you. Our Sunday School is at 10:00, worship 11:00, and Sunday night bible study 6:00. For information, call 417-589-2694 or 650-7829.

WASHINGTON CHRISTIAN

By Angela Anderson

Hope everyone had a wonderful weekend and got out and enjoyed this beautiful weather!

Our services started out with prayer request updates and hearing about our busy workers. We have a great group of members that really take care of our church and its surroundings. They don't even mind a little tick bite or even some poison ivy, hee hee. The song selections started with "Now I belong to Jesus," and "In my heart there rings a melody."

Phillip Foust lead our communion meditation reading from John 13 and "He loves you and me" was our Communion song. The title of our sermon was "How's your relationship with God", lead by brother Vaughn Clark. We get so busy with our everyday activities, work, family, etc and do we ever just stop and "Smell the Roses"?

Brother Vaughn Clark read from Matthew 22, Ephesians 5, Romans 10 and Timothy leading us to get to know God more. Our closing song was "Jesus Paid it all" and prayer dismissed us.

We love to have visitors and if you're looking for a church home, come and get to know God more with us. Please call, 588-1244 for more information about our church or our services. Have a great week!!

JOURNEY CHRISTIAN
(DISCIPLES OF CHRIST)

By Laura Valenti

This past Sunday, Pastor Brian Hash continued in our new series, I AM THE CHURCH. So where do you fit in there? What do you do each week or each day that represents the church and Jesus Christ in a way that you would like the world to see? It is an intriguing multi-faceted topic that will be our focus for the next few weeks so come and learn more about how Jesus works in our world today.

At JCC, in addition to our regular morning worship we have a Tuesday evening adult study that meets at 6 p.m. at the church and a ladies Bible study on Thursdays meeting at 5:45 p.m. Not to be left behind, the men meet every other Friday at Pastor Brian Hash's home as the (soon-to-be famous) Men Who Stare at Fire. Call Brian to catch up with them. Hope to see you at one of those events soon. JUMP for middle-school aged youth meets on Wednesday at JCC on 6 p.m. and JIVE, Christian education for elementary-aged students meets on Sunday morning, during our regular worship time.

Our mission at Journey Christian Church, located in the corner of Twin Oaks Shopping Center, 1112 Lynn, (down the way from Senor Peppers restaurant) is to love God and others and encourage everyone to join us on the journey. We are a come-as-you-are-church, playing contemporary music with messages that are relevant to the lives we live today in southwest Missouri. Our doors are always open to newcomers, seekers and visitors. Check out our website at www.journeyworship.org. for more information about what we're doing each week. See you in church!

LIBERTY FWB

A group of 13 went to the Free Will Baptist Church Youth Home in Little Rock, Ark. for a mission trip this past weekend. The teens and their sponsors assisted in clean up, and repairs that were much needed. The Lord truly blessed the group and the children and their house parents were very thankful. The church had collected a lot of things the home needed and delivered also over the weekend. The children and sponsors felt like the trip was a very fulfilling for everyone. A special thank you to those who went with the kids, Bro. Craig, Roy and Jodi Rhoads and Deb and Ray Lewis, and to all those who donated the many items we had to deliver.

Sunday morning services began with the kids penny march led by Aidan Breckner. The morning offering was collected by Roy Rhoads and Marvin Boyd. Morning specials were Alden leading the congregation in "What a Saviour," Jaylie Shire sang "Jesus Loves Me" and Jesse West sang "He Knows My Name." Bro. Craig took his scripture from John 21:1 and preached "A fishing party.'

Our monthly open singing night will be Sunday, June 30th at 6 p.m. with refreshments to follow. If you still have your father with you tell him you love him this weekend and don't forget your Heavenly father!

PHILLIPSBURG UMC

Regular morning worship began at 9 a.m. with Loyd Hefner bringing the message. Loyd talked about Paul and his trials and tribulations as he spread God's work. Paul was changed from a persecutor to a believer and sent forth by Jesus to preach in the synagogues of Damascus.

Becky Nutter led the church congregation in singing of hymns, done greetings and announcements, call to worship and prayer time.

Get well wishes to Jerry Nutter and to others in the community who are suffering an illness.

Our sympathy to the Ken Miller Family.

Remember when you pray this week to have eyes that see the best in people, a heart that forgives the worst, a mind that forgets the bad and a soul that never loses faith in God.

Thank you for reading our church news.

FIRST ASSEMBLY OF GOD

What a great Sunday morning! The rain was refreshing and over by the end of the morning service and we were greeted with a wonderful sunshiny day. Ida Green was baptized and communion was taken.

Pastor Ryan spoke on "The Righteous Tongue" from James 3: 1-12. Death and life are in the power of the tongue. To use your tongue for life you need to use prudent words, encouraging words, words of thanksgiving, words of faith and life, words of God and The Gospel. It's really not an issue of the tongue it's an issue of the heart. To fix the tongue problem we have to fix the heart problem.

We have a lot of activities coming up: Sunday afternoon the youth are leaving for Youth Camp. June 15th is the School makeover at Boswell Elementary. Friday, June 28th is Men's Encounter and Ashes to Beauty celebration in Branson. June 22nd is our 2nd Annual Rummage sale/fundraiser. We are having a Father's Day celebration this Sunday night with food and prizes. Six Flag tickets are available from Pastor Charlie. Summertime is busy but please don't forget to go to church and include God.

If you are looking for a home church give us a try, we'd love to have you join us. www.lebanon1st.org. God is waiting and watching for you and so are we.

COMMUNITY OF CHRIST

Our lives are full of choices. We make hundreds every day. However, some of the choices we make not only affect our lives but the lives of others as well. Our choices lead to actions that define how we live and how we treat others.

Our topic this week is to make responsible choices. The scriptural setting is 1 Kings 21:1-21a. It is the story of King Ahab and his wife Jezebel. The king wanted land owned by Naboth, and offered to pay for it. Naboth refused to sell because he felt the land was a gift of God to the Israelites and it was his duty to keep it. Jezebel orchestrated a plan under the law to have Naboth and his family killed and the land was taken by the king.

The story is one of greed. The king had palaces, land and wealth. Because he wanted more, his greed killed an innocent family. In our lives, greed can kill friendships, and destroy joy. It can erode our spiritual lives and put other priorities in the place of God.

We must constantly be aware of the choices we make. God looks to his disciples to be the outward representation of his grace and love, i.e. uphold the worth of all people and promote justice in the world. In doing so, we must also recognize the forgiveness that is available to all; even those who we believe are the worst transgressors. Our choices promote communities of joy, hope, love and peace.

Join us for this service as we raise our voices in praise music and celebrate the abiding love of Jesus Christ and the Holy Spirit that is with us each day. We look forward to worshiping with you and the opportunity to share with you. We will have our monthly Dinner Day following the morning service. Please plan to stay after church and share table with us.

As we quickly move into the summer season, all are invited to the many reunions and camps: Camp for juniors (10-12) is June 15-18; junior/senior high camp is June 30 to July 4 at Ozark Campground. We have two reunions--June 19–22 and July 6 -12. For further information and applications go to our church website https://sites.google.com/a/scsmc.com/mission-center/forms.

Our congregation is continuing to support the local organizations by participating in the Crosslines and COPE ministries. What a blessing it is to help those less fortunate in our communities and be a part of the organized effort to help the area.

Consider joining the Ministers of Fire and share their vision of feeding the hungry. The group meets at Outreach Center on the corner of Hood and McPhail at 5 p.m. on Tuesday evenings to assemble and distribute food. This is a weekly initiative to aide those in need all are welcome and needed to support this ministry. Food, personal hygiene items and clothing are accepted at the center as well. Mike Duran is the director of this ministry and you can check out the work of the organization by visiting ministersoffire.org or emailing Mike at ministersoffire1@gmail.com.

LACLEDE COWBOY

Welcome Holy Spirit!!! We were in your presence this week. Pastor Tim and Brian lead us in some wonderful worship songs. We had special music from Mike and Brenda True, Lonnie Galler and Larry Rippee and they all did a wonderful job. Our worship on Thursday night had 61 this week and we had 107 in our Sunday service.

Pastor Tim preached from 2 Kings Chapter 6 on the lost axe head in the river. "The man of God asked, "Where did it fall?" When he showed him the place, Elisha cut a stick and threw it there and made the iron float. "Lift it out." The man reached out his hand and took it." There are going to be times when you are down and God will be there. Our God is a merciful God, but you must seek Him. Are you seeking Him today? Our monthly gospel singing is this Friday night at 7 p.m. and our Fun Show is Sunday at 2 p.m.

If you are looking for a place to worship we invite you to join our church family. We meet on Thursday nights at 7 p.m. for our mid week services and on Sunday morning at 9:30 for Bible Study and Children's Sunday School, and at 10:30 for the worship service. We meet at the McNail Indoor Arena on North Hwy 5 (behind Mike's Country Store). It would be our pleasure to see you at church this week.

GRACE CALVARY

By Sarah Sherrer

Saturday we celebrated Bro. James and Sis. Joyce's 50th Anniversary at the Wallace Building. They enjoyed visiting with all the family and friends that came out to celebrate this wonderful day with them. May God bless them with many more healthy and happy years together. Sunday morning we had a good time in the Lord. Services was opened with prayer. Sis. Daisey Moss taught on Daniel 9th chapter, "Last event to take place," coming of Jesus Christ to rapture the church.

Bro. James morning message was in 1 Corinthians 12:1-7 (3). "Wherefore I give you to understand, that no man speaking by the Spirit of God calleth Jesus accursed and that no man can say that Jesus is the Lord but by the Holy Ghost. Faith and trust is an action word of belief, you can't have faith without believing. Evening message was Philippians 4:13, "I can do all things through Christ which strengtheneth me." He said, "We are told to take strong courage in God, that is being convinced in God's ability." Sometimes we want to give up but that is where we go back to Philippians 4:13.

Sunday morning we had several birthdays. Birthday wishes go out to Makenze Johnson, Shermain Saliburg and Stephanie Jackson. This Thursday night is men's Bible study at the church .

If you don't have a home church, come and give us a try, Bro. James will bless you with the word of God and our singers will sing you happy or happier!

Our services begin at 10 a.m. on Sunday morning and evening services begin at 6 p.m. Wednesday services begin at 6 p.m. with prayer services and regular service begins at 7 p.m.

FAITH & FAMILY

OAKLAND COMMUNITY CHAPEL

We had a wonderful service last Sunday here at the Chapel although it was not the same without Sister Tammy at the piano. She has been battling a bout with the flu this past week. Glad to see she is feeling better. It was great to see Sister Marium back Sunday. She had fallen a couple of weeks ago and we are so glad to see her recovering very well. We missed Sister Sheryl Winkel because she was ministering at another church. We look forward to seeing her next week.

Thank you to all who pitched in to help buy the electric wheelchair for David. Now he can move around the church with ease. We still have the ramp to build to access the fellowship hall for him, but that is coming soon.

It is always a joy to have Bro. Ken's mother and sister Linda listening in to the service by way of telephone. It is remarkable how well they can hear what's going on in the service all the way down in North Carolina. They have been involved in most of the services since the ministry began last August. This week Sister Tammy was able to hear the service as well.

Pastor Ken's message was entitled, "How to Kill a Giant". He shared with us the wonderful story of David and Goliath. If you closed your eyes you could almost see the two meeting for battle in the Elah Valley. With Goliath standing nine feet nine inches tall he seemed more that any young shepherd boy could handle. But just like the giants in our lives, if we see them through God's eye's those giants shrink down to a size that we can handle. There are no giants in our lives that are too big for God.

We do however, need to rely on God's wisdom and be willing to use the spiritual weapons of warfare if we expect to defeat these giants that we must face from time to time. The next time a giant pops up in your life and tries to show you just how big he is, remind him how big your God is and watch him shrink down to size. Giants show themselves through illness, financial difficulties, family issues, on our jobs and in many other ways. Just remember, these giants never catches God off guard. He knows who they are and when they are coming and most off all how to defeat them and if you will trust him, just like David you can say, "You come against me with sword and shield but I come against you in the name of the Lord Almighty"... and before you know that giant will be "stoned out of his mind. Become a"Giant Slayer" today.

If you are looking for a church home, come check out this new ministry. If you are looking for a place to belong come see what's happening at the Oakland Community Chapel.

BEAR THICKET FWB

By Hazel Walters

It's a good day to serve our God and receive His love and blessings. God has been good to us this week. My nephew had open heart surgery with complications. But God placed His hand upon him and brought him through it. He got to go home yesterday after only four days in the hospital. God is so good.

We had a baby dedication service this morning, Bro. Josh and Sis. Kendra Keeler dedicated baby Rayland Keeler to the Lord today, promising to raise him with the Lord as their guide and taking him to church.

We would like to welcome our visitors and invite them to come back again. Our worship service started with prayer and congregational singing. The little kids led the penny march.

The specials today were by Victoria Clement, Grace and Dayton Keeler singing "Give Me Oil In My Lamp" and "I Have Decided To Follow Jesus." Sis Clydie Millard read a poem, Bro. Jeremy Everett, Sis. Hazel Walters and Bro. Doren Keeler sang "In The Garden."

Bro. Wendell Clement took the message from Genesis 4:1-13. God made man in his image and created woman as a help mate for Adam. He created a garden as their home and then they sinned against God and a curse was placed on mankind. Man would make a living by the sweat of his brow and woman would suffer the travails of childbirth. God will have his say in all we do. HE is in control. HE is our supreme sacrifice. Our blood sacrifice. He died on the cross for our sins. God loves us!!!

We will not have our singing night in June. But will resume in July on the 20th Everyone welcome.

Have a great and blessed week in the Lord.

WARDEN CHAPEL UMC

By Pastor Paula Kootz

Sunday was a good day to be in the house of the Lord. Jesse Legan rang the bell outside for all to hear as pianist Colleen Legan played "I'll Be Listening." Worship leader Steve House led the singing of some great uplifting hymns.

It was a joy to have Janet Moore back in services with us as she has been unable to attend for several weeks.

The sermon text was John 21:1-14 which is the story of how the disciples followed Peter's suggestion to "go a-fishing." They fished all night without catching any fish. In the morning Jesus, while standing on shore, directed them to cast the net on the opposite side of the ship, and in so doing caught a net full of fish.

After recognizing Jesus, Peter jumped out of the ship and swam to shore. He braved the dangers of the sea to get to the Savior. He kept his eyes on Jesus.

When the other disciples joined them on shore Jesus had a banquet of fish and bread waiting for them. Let's keep our eyes on Jesus and we will attend a heavenly banquet for all who are faithful to God.

Ken Kootz led the adult Sunday school class discussion. The lesson focus was based on Isaiah 12:1-6.

Kendall Moore led the 4 p.m. Sunday Bible study of Acts 8 so that I could attend annual conference.

CROSSING OVER

By Carol Dudley

Do you remember where you were the day you gave your life to Jesus? I was thinking about that and remembering all the things that led up to that moment. It wasn't something that happened in the blink of an eye, the saving part was but there were many things that led up to that moment for me. I think everyone should remember and go back and visit that day from time to time. I was fortunate enough to have people invite me to church and even drive me there. I never gave it much thought at the time but I thank God for sending them my way. I remember sitting in the pews of what I thought was the biggest church I had ever seen. I was only a child but I remember every time for weeks when the choir would start singing 'Just As I Am' this sick feeling in the pit of my stomach reminding me that I needed to ask Jesus to come into my heart. I remember thinking about all the people who might see me go forward, and I was scared. I remember the day when I finally managed to take that first step into the isle and all the other steps that followed. The relief I felt after accepting the gift of salvation was overwhelming. Even today it amazes me that Jesus could love me so much as to pay the price for my sins. I thank God daily for sending His Son and I am so thankful today that my Savior and Lord Jesus Christ is sitting at the Father's right hand. Sometimes it's good to go back and visit the grace and mercy that I received that Sunday morning at God's throne. I pray, if there is someone out there who does not know Jesus as their Lord and Savior that they will take that first step. God made it as easy as your ABC's. As always, God bless.

SUNNYVIEW FWB

By Darlene Hurt

" The Lord is my shepherd, I shall not want." What a great promise!

Today, with Brother Don Graves leading, we sang "He set me free" and The Gloryland Way." What great words of love and grace we find in these old hymns. We had 35 Bibles in Sunday

School , we had three birthdays — Aaron and Connor Sharp and Calab Vice. Deacon Robert and Beth Schmoutey celebrated their 38th wedding anniversary.

The minor prophet we are studying today is Joel. The lesson text is from Joel 1:10 and 3:21. Joel is warning about the locust plague. He is also warning of that great coming day of the Lord.

Specials to day were - Brother Jan Eilenstein, "Thanks to Calvary." We had visitors Tim and Joy Francis, who sang " I am a child of the King, "He Touched Me" and the Spirit was strong in our service.

Pastor Bruce preached from James 4:13. He talked about how quickly time moves on. Making memories, don't put off until tomorrow what you can do today. The next day or week may be to late. The unexpected passing of Brother Wayne Starnes caused us to realize we are not guaranteed tomorrow. Brother Wayne was well loved and will be missed.

After morning worship we had fellowship. After a good meal we went into the sanctuary for communion.

Brother Robert Haring brought the message from 1 Cor. 11:17 how our Savior humbled Himself to wash the feet of the disciples. How communion represents the breaking of His body and the shedding of His blood. Keep looking up!

LEBANON FAMILY

On Saturday the Lebanon Family Church will be hosting the Third Annual School Makeover Project at Boswell Elementary School. They will be painting at least 15 classrooms, completely remodeling a teacher's lounge, remodeling the playground and the library.

They also will add a covered walkway to a pick up area, as well as mounting a gigantic digital clock on the building facing the playground area. The church is planning on having more than 300 volunteers the day of the event as four other churches from the community bring teams to join in making a difference for our community.

This is the first year that they have had so much support from other churches. Cross Creek, Lebanon First Assembly, LifePoint and Southern Heights Christian Church will be joining their efforts.

The makeover will begin at 8 a.m. and end at 5 p.m. The purpose of this makeover is to draw the community together in unity to show their appreciation, to support our educational system, and most importantly to show the love of Jesus. Once again this year, many local businesses have donated time, manpower and supplies.

Lebanon Family Church just celebrated its 16th anniversary. In 1997 Pastor Matt and Aimee Flanders moved to Lebanon with year 2-year-old son to pioneer a church. They came from Sioux Falls, S.D. where they had been youth ministers, until God gave them the vision to come to Missouri and raise the standard. They now have 900 to 1,000 people that call LFC home. Lebanon Family Church is focused on "Raising the Standard of the Christian experience" with a vision to see lives changed through connecting, serving, giving and growing in the local church and community.

Crawford, who was first elected in 2010 and then reelected in 2012, said that getting bills passed has become easier as she's become more experienced. In her first year, nothing that Crawford filed passed. In the second year, one bill passed. In the recent legislative session, she said she "had her hands" on a lot more bills.

"It's a whole lot better than to be a sophomore in the House than a freshman," she said.

For one of the bills that passed this year, HB175, which dealt with changing laws regarding the collection of special assessments and delinquent property taxes, Crawford sought help from Laclede County Collector Steve Pickering, Crawford said. Pickering went over the bill point by point and discussed it with her and told her he didn't see any problems with it.

"The point is, even though somebody brings me a bill and says it is supposedly good for the state, my biggest concern is it good for Laclede County and is it good for Dallas County?" Crawford said. "I wanted my experts to look at it."

The bill has not been signed into law yet, but Crawford hopes that it will be because it's not a very controversial law. She added that it has been added as an amendment to another bill, giving it more of a chance to be passed.

Pickering thanked Crawford in sponsoring the bill. She reminded everyone that any group or business that needs help should call her or Franklin, and they will do what they can to help.

The second bill, HB 235, which deals with qualifications for county treasurer and collector candidates, also is awaiting a signature from Nixon. Crawford said she also received local input on the bill before sponsoring it.

Franklin had one of her bills passed that dealt with procedures the Department of Natural Resources posts beach closings at the Lake of the Ozarks. Franklin, whose 155th District is also in Camden County, sponsored a bill that would require the DNR to stop putting up yellow crime scene tape when the public beach was closed due to high e. coli levels. The law would switch that tape for a sign announcing the closing. It would also change some other beach closing regulations.

"I spent all day the last day working on this bill, and it got passed the last 15 minutes of the session," Franklin said. Franklin said she found the crime scene tape "offensive."

The bill has an emergency clause so that it will become law before Aug. 28. The bill has yet to be signed by the governor, and since the passing of the bill, the yellow tape has been set up around the beach, according to Franklin.

"Sometimes you do all the right things, and it doesn't work out and it's disappointing," she said.

Franklin said she has worked on some bills that she felt have local interest.

A part of a transportation bill aims to change how the local license bureau contracts are rewarded. The bill would take away a point system that favors businesses that can give back more of the driver's license office profits to the state than others.

"It's unfair. Non-for-profits can't compete that way," Franklin said. "It needs to be based on the benefit to the local area."

Franklin also fought against a Missouri Senate tourism funding bill. The bill would have cut tourism funding in half for local communities. The other half of the funding would have gone to state parks. Laclede County receives $40,000 in matching funds.

Franklin argued that the state parks already get funds for advertising and that portion of the bill was taken out.

Crawford is the Republican majority whip for the House. The representative explained that her job is to tally votes within her caucus on big issues when her caucus wants to see if a bill has a chance of passing.

Crawford, who represents the 129th District, is the chairman of the Interim Committee on Cause and Spread of Chronic Wasting Disease in the Elk and White Tail Deer Population, and is a member of the Joint Committee on Government Accountability, Ethics, Agriculture Policy, Financial Institutions, Appropriations — Infrastructure and Job Creation, Leadership for Missouri Issue Development and Missouri Sportsman Issue Development.

Franklin, who represents the 155th District, is the chairman of the Issue Development Standing Committee on Missouri Health Care and the vice chairman on the Health Care Policy committee. She is also on the Joint Committee on Child Abuse and Neglect, Agri-Business, Administration and Accounts, Professional Registration and Licensing, Appropriations — Education and Missouri Sportsman Issue Development committees.

cancer patients, some of which take place on a cruise ship. It also provides scholarships to patients who cannot afford to pay for the workshops or the cruises.

"You know, their expenses are outrageous when they have breast cancer," Weaver said of the patients.

About two years ago, Weaver approached Randy Hildebrand about organizing a car show to raise money for Breast Cancer Wellness' workshop programs.

"Randy Hildebrand is excellent at doing car shows," Weaver said. "I've worked with him before on other fundraising events with car shows back in the 90s, obviously — it's been a long time ago."

The result of this liaison was the first Breast Cancer Wellness Summer Fun Car Show, which took place on June 16, 2012. According to car show chairman Randy Hildebrand, that event had 97 entrants and raised more than $2,000.

Registration for this year's Summer Fun Car Show will take place from 9 a.m. to noon on Saturday, and judging will start at noon. The awards ceremony should be at about 3 p.m. The registration fee is $25 per car and entrants are welcome to show up on Saturday. Entrants can join one of 22 categories of cars, including old cars, motorcycles, pickups and even one called "Mom's Grocery Gear Class."

Hildebrand said that the vehicles will be judged by people in the automotive field on criteria like neatness, cleanness and correctness, as well as, to some extent, the judges' opinions.

"There's a certain amount of criteria that they follow, and there's a certain amount of personal like and dislike that goes into that. I mean, you can't get that out of there," Hildebrand stated.

In addition to the car show, there will also be a pancake breakfast from 8 to 11 a.m. Diners will be able to buy pancakes for $3 per serving, and all proceeds will go to Breast Cancer Wellness.

Perhaps the most unusual aspect of the car show will be the fact that Santa Claus will be present to preside over the awards ceremony.

"I had the opportunity to get Santa Claus to come out in the middle of summer, and he's going to be there," Hildebrand stated. "He's going to hand out some special gifts and some special little prizes all day, and then he's actually going to help present trophies that day. ...Santa won't be dressed up in his normal heavy red coat, but I think you'll like to see Santa."

The day will also include several games, most of which Hildebrand admits he will make up on the spot. However, the one game that Hildebrand knows he will be orchestrating is "Are You Smarter than Santa Claus."

"You know, researching that, Santa Claus had better know a lot of stuff," Hildebrand said.

In addition to supporting a good cause, the Summer Fun Car Show could be a fun way to spend a Saturday.

"If you want to see some really nice cars that day, some cars that you've never seen before, those cars that you've always dreamed that you'd like to have, they're going to be there that day," Hildebrand stated. "Like I said, cars, motorcycles, pickups — all those will be there that day. On top of that, there's all sorts of fun that we'll be doing all day long."

Bott

from page 1A

Bott was asked by officers to exit the yard and speak with them, but he allegedly declined.

Officers then opened the gate to Bott's yard and placed him under arrest. Bott allegedly refused to cooperate and was placed in the back of a patrol car.

According to the statement, Bott allegedly openly stated that he sprayed his neighbor because his neighbor was on his property, but then denied doing anything.

The neighbor was treated and released from Mercy Hospital Lebanon, a Lebanon Police Department report stated.

In April, Bott sought election to an open seat on the Lebanon City Council. He received 15 votes in the election but was defeated by Bill Wheeler, who received 56 votes.

Duo charged with drug possession

From LDR Staff

A routine traffic stop led to two Lebanon men facing drug charges when illegal substances were found in their car.

Brent Alan Tribble, 23, and Christopher Dean Sarto, 28, are each charged with a class C felony of possession of a controlled substance. Sarto is being held in the Laclede County Jail in lieu of a $25,000 cash-or-surety bond. Tribble is free on a $25,000 bond, according to online court records.

At about 11 a.m. June 6, a Missouri State Highway Patrol trooper was driving south on Missouri 5 when he saw a car with an expired license plate in front of him, so the trooper initiated a traffic stop. The car pulled over on Mo. 5 near Livingston Drive. Inside the car was Tribble, the driver, and Sarto, a passenger, according to a probable cause statement released by the Laclede County Prosecuting Attorney's office.

Sarto

Tribble

Tribble gave the trooper permission to search the car. During the search, the trooper found a backpack that contained several small plastic bags, an electronic scale and a syringe that field-tested positive for methamphetamine, the statement said.

Both Tribble and Sarto said that they didn't know who the backpack belonged to. Both men were placed under arrest for possession of a controlled substance and drug paraphernalia, the statement said.

While Sarto was being put into a patrol car, he told the trooper that he had a "baggie" in his shoe, took off his shoe and showed it to the trooper. Sarto allegedly admitted that it was methamphetamine. He said that the things found in the backpack were not his, the statement said.

The illegal items were seized by the trooper and are being sent to the Missouri State Highway Patrol Crime Lab for analysis.

Indiana couple face felony counts here

From LDR Staff

An Indiana couple traveling through Missouri faces felony drug charges.

Krista Ann Booth, 26, and Nathan James Steward, 30, both of Kokomo, Ind., have each been charged with a class C felony of possession of a controlled substance. The couple is being held in the Laclede County Jail in lieu of a $25,000 cash-or-surety bond each, according to online court records.

Steward

Booth

On Thursday, the Conway Police Department received a report from a business owner that a woman had come into the business to ask for water and was "acting funny." The woman, later identified as Booth, was found walking on Martingale Road in Conway. She told a Conway Police officer that she was fighting with her boyfriend, Steward, and was trying to stay away from him, according to a probable cause statement released by the Laclede County Prosecuting Attorney's office.

The officer had Booth get in his patrol car so he could take her to a safe place away from the roadway. Because of Booth's "demeanor" the officer asked and was given permission to search her person. During the search, the officer found a tin with 10 plastic baggies, some of which had a substance in them that field-tested positive for methamphetamine, according to the statement.

The officer also found a baggie containing a white substance in pair of shorts Booth was carrying.

The officer did not report if the item was field tested.

The officer then went to where Steward's car was parked and requested a Lebanon Police Department K-9 unit to conduct a search of the car. The drug-sniffing dog indicated the presence of an illegal substance inside the car. After a search, officers found a digital scale and a syringe that field-tested positive for methamphetamine, according to a second probable cause statement.

LPD to hold checkpoint

From LDR Staff

The Lebanon Police Department has announced that it will be conducting a sobriety checkpoint.

The checkpoint will be held sometime between June 21 and July 5 in an effort to stop intoxicated drivers. Motorists suspected of being intoxicated will be given a series of field-sobriety tests and those determined to be intoxicated will be arrested, according to an LPD release.

The LPD states that it is making efforts to not severely interrupt traffic flow, but says drivers in the area may be "slightly inconvenienced."

Funding for the checkpoint is provided through a grant from the Missouri Department of Transportation.

JEB

from page 1A

"We did good; we had a good year," Nolan said after the meeting. "Some additional money came available through Title I, and some federal money became available through special ed, so we were able to request those, and that helped us."

After delivering the good news about the extra cash to the board, Nolan lost no time in suggesting a use for it. "When I come to you at the end of June when we finally get the last payment in from the state ... I'd like to see some of that money put back into salaries for the teachers and the staff here. We've talked about that two or three times.

"I don't feel like you should ever spend more than you're bringing in on salaries, insurance, reoccurring expenses like that. If you're spending more than you're bringing in and you have to draw out of your savings account to pay your everyday bills, then you're going to go in the hole. ... What I'd like to see you do when you're banking this kind of money, you can increase salaries, you can really reward the people that have been with your district and done well for your district."

In other business:

■ The board chose a joint bid by PC Plus and Bailey's TV Inc. for the installation of a wireless network throughout the school. The PC Plus/Bailey's bid was the only one received for the project.

Barber will pay $4,244.60 to Bailey's TV for the installation of the necessary cabling, and $6,658 will go to PC Plus to install the actual hardware for the system.

Ed Green, co-owner of PC Plus, was on hand to represent the bidders. Green estimated it would take about a week to do the job.

The C-5 District was offered an interest-free loan of up to $30,000 for a wireless system last month by the Lebanon Education Foundation. At $10,902.60, the system won't cost nearly that much.

"We've got the basic framework in place. They're not going to replace everything," Glendenning said.

■ The board approved the student handbook for the 2013-2014 school year with a few minor changes. Students receive the handbook at open houses, on the first day of school or upon enrolling in the district, Nolan said.

■ The board switched from Waste Management Inc. to Allied Waste Services for its trash collection service after Allied submitted a lower bid.

For handling waste from the trash compactor and a six-yard waste bin once a week, Allied bid $244 a month. Waste Management offered to keep doing the job for $297.

■ New Principal Jason Cole reported to the board that enrollment for the coming school year currently stands at 432 students in kindergarten through eighth grade.

The largest class is the first grade with 56 kids, and the smallest is the fifth grade with 39.

Bigar's Stars

BY JACQUELINE BIGAR

HAPPY BIRTHDAY for Saturday, June 15, 2013:

This year you work on your patience. You will experience a lot of frustration as you discover the difficult nature of this virtue. Sometimes your frustration evolves to anger. Be careful. You have a lot of self-discipline -- use it appropriately. If you are single, expect many ups and downs in a new relationship. The person who indulges you needs a second look. If you are attached, be more patient with your sweetie. There is no need to have futile disagreements. VIRGO gets the job done, even if it is too slow for your taste.

The Stars Show the Kind of Day You'll Have: 5-Dynamic; 4-Positive; 3-Average; 2-So-so; 1-Difficult

ARIES (March 21-April 19)

★★★ Others might wonder what is going on, as you seem to fuss about nearly everything. Go out and handle what you must, and you will feel a great sense of relief. Others will smile to have the sunnier side of your personality appear. Tonight: Invite others to your place for a party.

TAURUS (April 20-May 20)

★★★★ You generally feel uptight about spending; however, you likely will accept a costly invitation. Honor your needs first, because that is the only way something will work. Make yourself at ease, and everyone will become far more jubilant. Tonight: Kick up your heels.

GEMINI (May 21-June 20)

★★★ Whether you're snoozing or getting into a project, you can be found at home. It might be a good idea to attend a gathering later in the day. You also could ask a friend to help you with a project. You don't do well without company for any length of time. Tonight: Make it easy.

CANCER (June 21-July 22)

★★★★ Keep conversations moving. Your naturally nurturing ways draw others out. Do not feel like you have to fix a situation or come up with a solution. Others simply like to be with you; they thoroughly enjoy your feedback and upbeat personality. Tonight: Catch up on others' news.

LEO (July 23-Aug. 22)

★★★ Do not stress yourself out. Relax with friends, and worry less about the potential problems in your life. Stay present, and before you know it, you will be enjoying a quirky friend. This person almost always chooses to head in the opposite direction of the crowd. Tonight: Your treat.

VIRGO (Aug. 23-Sept. 22)

★★★★ Refuse to get involved in a power struggle or an angry exchange. You could find a workable solution, but you might decide that it just isn't worth getting in the middle of an uncomfortable situation. Tonight: As you like. Someone is only too happy to please you.

LIBRA (Sept. 23-Oct. 22)

★★★ You might want some free time to be by yourself right now. To be fair, you have pushed very hard in the past few weeks. A loved one also would appreciate time alone with you. Know that you probably will not be good company right now. Tonight: Indulge yourself.

SCORPIO (Oct. 23-Nov. 21)

★★★★ Keep reaching out to someone you care a lot about. Avoid getting involved in an argument with others, as there appears to be a tiff going on among several close friends or loved ones. Flex with the moment, and life will be more exciting as a result. Tonight: Where your friends are.

SAGITTARIUS (Nov. 22-Dec. 21)

★★★ Tension builds as you start thinking about an older relative or your many responsibilities. Handle what you must; otherwise, you won't be able to relax. You might discover that you have to deal with an unexpected cost. Use your skills to talk the price down. Tonight: Out late.

CAPRICORN (Dec. 22-Jan. 19)

★★★★ Your ability to get past a problem usually is strong, but right now you could find yourself having words with a neighbor or relative. Is there another way? Revise your thinking, and try to take a different approach. You just might see a new path. Tonight: Join friends for dinner.

AQUARIUS (Jan. 20-Feb. 18)

★★★★ Listen to feedback, and know full well what will be necessary to make a situation work. You are exuberant and sure of yourself. Still, make it a point to cater to others a bit more. At times, you might take on a defiant attitude. Tonight: Love the one you are with.

PISCES (Feb. 19-March 20)

★★★★ Others clearly need and want to have control right now. You have nothing to lose, so resist getting tense or looking for answers. Just go along for the ride. You might gain more understanding of the person you are with if you do. Tonight: People surround you. Enjoy!

Dear Abby

Woman Is Left Bewildered By Relative's Theft of Purse

by Abigail Van Buren

© 2013 Universal Uclick

DEAR ABBY: Recently, my cousin-in-law, "Carrie," attended a family party. I was happy to see her because I like her and haven't seen her since my wedding in 2011. Carrie has been going through a difficult time because of her mother's death two years ago and her father's remarriage plans.

I know people are prone to do odd things when under stress, but this has me concerned. During the evening, I went to retrieve an item from my handbag. Carrie was with me, and mentioned she loved my purse and then announced she was "stealing it." I realized it wasn't a joke when she dumped the contents of my bag on the kitchen counter in front of several family members. She then handed me $10 and put my purse in her car!

I was flabbergasted and didn't know how to react. Although I had mentioned that I bought the bag at a thrift store for less than Carrie gave me, I liked it because it is a vintage item. I don't think a replacement will easily be found.

While I was always excited to see Carrie before, I am now leery of seeing her again for fear of a repeat of what she did. Am I wrong to feel offended? Do I have any hope of getting my purse back?

STUPEFIED IN NEW YORK

DEAR STUPEFIED: Carrie's behavior was outrageous and may indicate that she has emotional problems that should be addressed.

That you would be offended is understandable. That you would be so shocked you didn't immediately object is also understandable. The only hope of getting your purse back would be to pay this woman a visit, return her money and tell her it's time to return it. If you're up to the challenge, she may agree. But don't count on it.

***

DEAR ABBY: I have been dating "Wayne" for about a year. Everything is wonderful, but my problem is he is stingy when it comes to issuing a compliment. I'll get dressed up — makeup, hair, the whole thing — and ask him what he thinks, and his response is always, "It's OK. You always look beautiful to me, so you don't have to dress up."

Maybe I shouldn't complain about this, but sometimes I feel Wayne would say I looked good if I were sick and vomiting into a toilet. It's not like I want him to say I look awful; I just want more of a response than what I'm getting. Any ideas on how to approach this?

ALWAYS BEAUTIFUL?
IN MINNESOTA

DEAR ALWAYS BEAUTIFUL: Yes. Approach your boyfriend directly. Tell him there is something you need from him that you're not getting — and that is acknowledgment when you make a special effort. Explain that while you're complimented that he thinks you're always beautiful, you feel let down by his reaction. If he cares about your feelings, he may be a little more generous.

***

DEAR ABBY: How and when do I tell the guy I just started seeing that I have bipolar disorder? I don't want to make him think I'm crazy. On the other hand, I really like him and hope our relationship will grow into something more. I don't want to start it off with a lie.

NOT REALLY CRAZY
IN MASSACHUSETTS

DEAR NOT REALLY CRAZY: You shouldn't start off a relationship with a lie. However, health information of any sort is personal, and it need not be revealed until you become friendly enough that there is a reason to know. Once you become good friends, you should disclose any information that is pertinent, including your diagnosis and the fact that it is being managed.
