**Hickory Co-13 Acres \$230,000**

Wow this is a nice place in Hermitage Missouri. 13 acres that has a great country setting. Deer will be in your back yard every night. House was built 13 years ago and is in great shape. 2490 sq ft 4 bedroom 2 1/2 bath, with 2 bedrooms downstairs and 2 upstairs. Big bedrooms , nice big living room, dining room is also big that sits across from custom kitchen. I can see someone really enjoying this layout. The laundry room is right off the kitchen area. One of my favorite places is the screened in back porch overlooking the meadow below, this is where you will spend a lot of time. There is a concrete safe room that serves as a tornado shelter, or for canned goods. The breezeway connects to a 2 car 24 x 24 insulated garage. Plenty of room to park cars, and your tools. There is another 24 x 24 shop up on the hill for tractors and toys. The house has central heat and air, but also has a outdoor wood furnace that also heats the water, this is a nice outdoor unit. Owner has kept the place neat and tidy and you don't want to wait long! Only a few minutes from Hermitage , Mo in Hickory county. It is a little over a hour to Springfield. Close to Pomme De Terre Lake for you lake fun and great fishing, but don't forget about Lucas Speedway just a short distance away as well. Call **Mike Stoner at 573-774-9775 Cell**

**Hickory Co-5.2 Acres \$189,500**

If you have ever wanted your own fishing or hunting camp, well here is White Oaks. White Oaks is a complete camp setup, with numerous buildings. The 5.2 acres is sitting off a good county road, the place looks like a park. When I pulled up there was a deer in the woods in front of the house. Plenty of woods for wildlife to be in your yard all the time. The main home is 1800 sq feet, with 4 bedrooms with a additional office that could be a 5th bedroom. Two of the bedrooms are outside entry and bathrooms for guest entry. Total of 4 1/2 bathrooms. It has a 20x20 outside wooden deck overlooking the back yard . It has a 17 x 20 sun room that you can sit in without the worry of pesky bugs. This as well as all of them are metal exterior for maintenance free worry. The other lodging house is called the bunkhouse. 1344 sq feet with all kinds of sleeping area, enough to sleep 16 people. 2 bathroom areas. Also has washer and dryer hookups. Has newer central air and heat pump. The pavilion and fire ring area will be the social hotspot. It has its own kitchen, shower and half bath. Seating area for 30 under the pavilion. I can see some big fish fry's going on here. The 3 car oversized garage will store all of your vehicles and also has water ran to it. Garage is 40 x 26. The boat and game house is 30 x 50 with 3- 10x14 doors. Big tall ceilings for camper or your boat storage. Sky lights lighten up this area without any electricity used. The shop is 30 x 60 and would make a great wood working or hobby area. Plenty of storage area here. The well that feeds everything has had a new pump put in it and controls, also the septic is setup to handle all of these buildings with a big drain field. If you need more room, there is also a RV hookup with water and sewer. This place is special and I would love to own it. If someone wants an investment, then buy this place and make a vrbo out of it. You would have it booked by fisherman going to Pomme De Terre lake. The lake is 15-20 minutes away and Lake of the Ozarks isn't very far either. Skyline school district, one of the best in the state. For more information contact **Mike Stoner at 573-774-9775**

**Benton Co-52 Acres \$264,500**

Located between Cole Camp and stover Missouri sits this beautiful 3 bedroom, 1 bathroom home on 52 acres! Property is off W Hwy about a quarter of a mile. This is a very well maintained property with a large pond, 2 cabins, and 3 car ports. The home has a nice walk-out back deck and front patio. Trails are made throughout the timber for hunting. This is a great place to get away on weekends and enjoy yourself. If you're looking for seclusion and want a place to hunt and fish and enjoy Mother Nature this is the place to call home!
