SATURDAY, NOVEMBER 6TH AT 10 AM

REAL ESTATE 80 ACRES w/ HOME sells at 11 am!

Said to be the highest elevation in Johnson Co. Whether true or not, the views will say it is! From the upper-level bedroom, walk out on to the composition wood deck and be at the zenith of this beautiful property, breath deep and enjoy! The home is tucked back on the property, yet while the open fields surrounding the front yard give an open view of the property, the outlying timber blocks the sight of neighboring farms. The land is approx. 1/2 timber, 1/2 pasture/crop ground, where trophy bucks and turkey have been viewed and harvested. The home is 3 bdr, 2 b. Warm oak wood flooring compliments the brick mantled wood burning fireplace in the open living room/kitchen. A space-saving spiral staircase connects the three levels of the home. The basement walks-out to a covered patio. The main level sports a covered wrap-around composition wood porch, and log siding. The yard is cushion-soft with zoyasia grass, and the landscaping includes Mo Mammoth Hickory tree, Hardy banana tree, and a host of perennial shrubs and plants. The home has central heat and air, and Johnson County rural water. Outside, there is a 30x20 barn, and a quaint garden shed. Terms of Real Estate: The starting bid on this beautiful property will be \$325,000 and will sell subject to owner's confirmation. Come prepared to buy, as Mrs. Womble has already purchased her new home in Georgia and is ready to start that chapter of her life. The successful buyer will place 20% down day of sale, to be placed in escrow at title company. Closing in approx. 30 days, at which time the buyer will pay the balance of the purchase price, plus applicable closing costs. Seller will furnish title insurance, taxes to be prorated.
