A MERRY
CHRISTMAS!

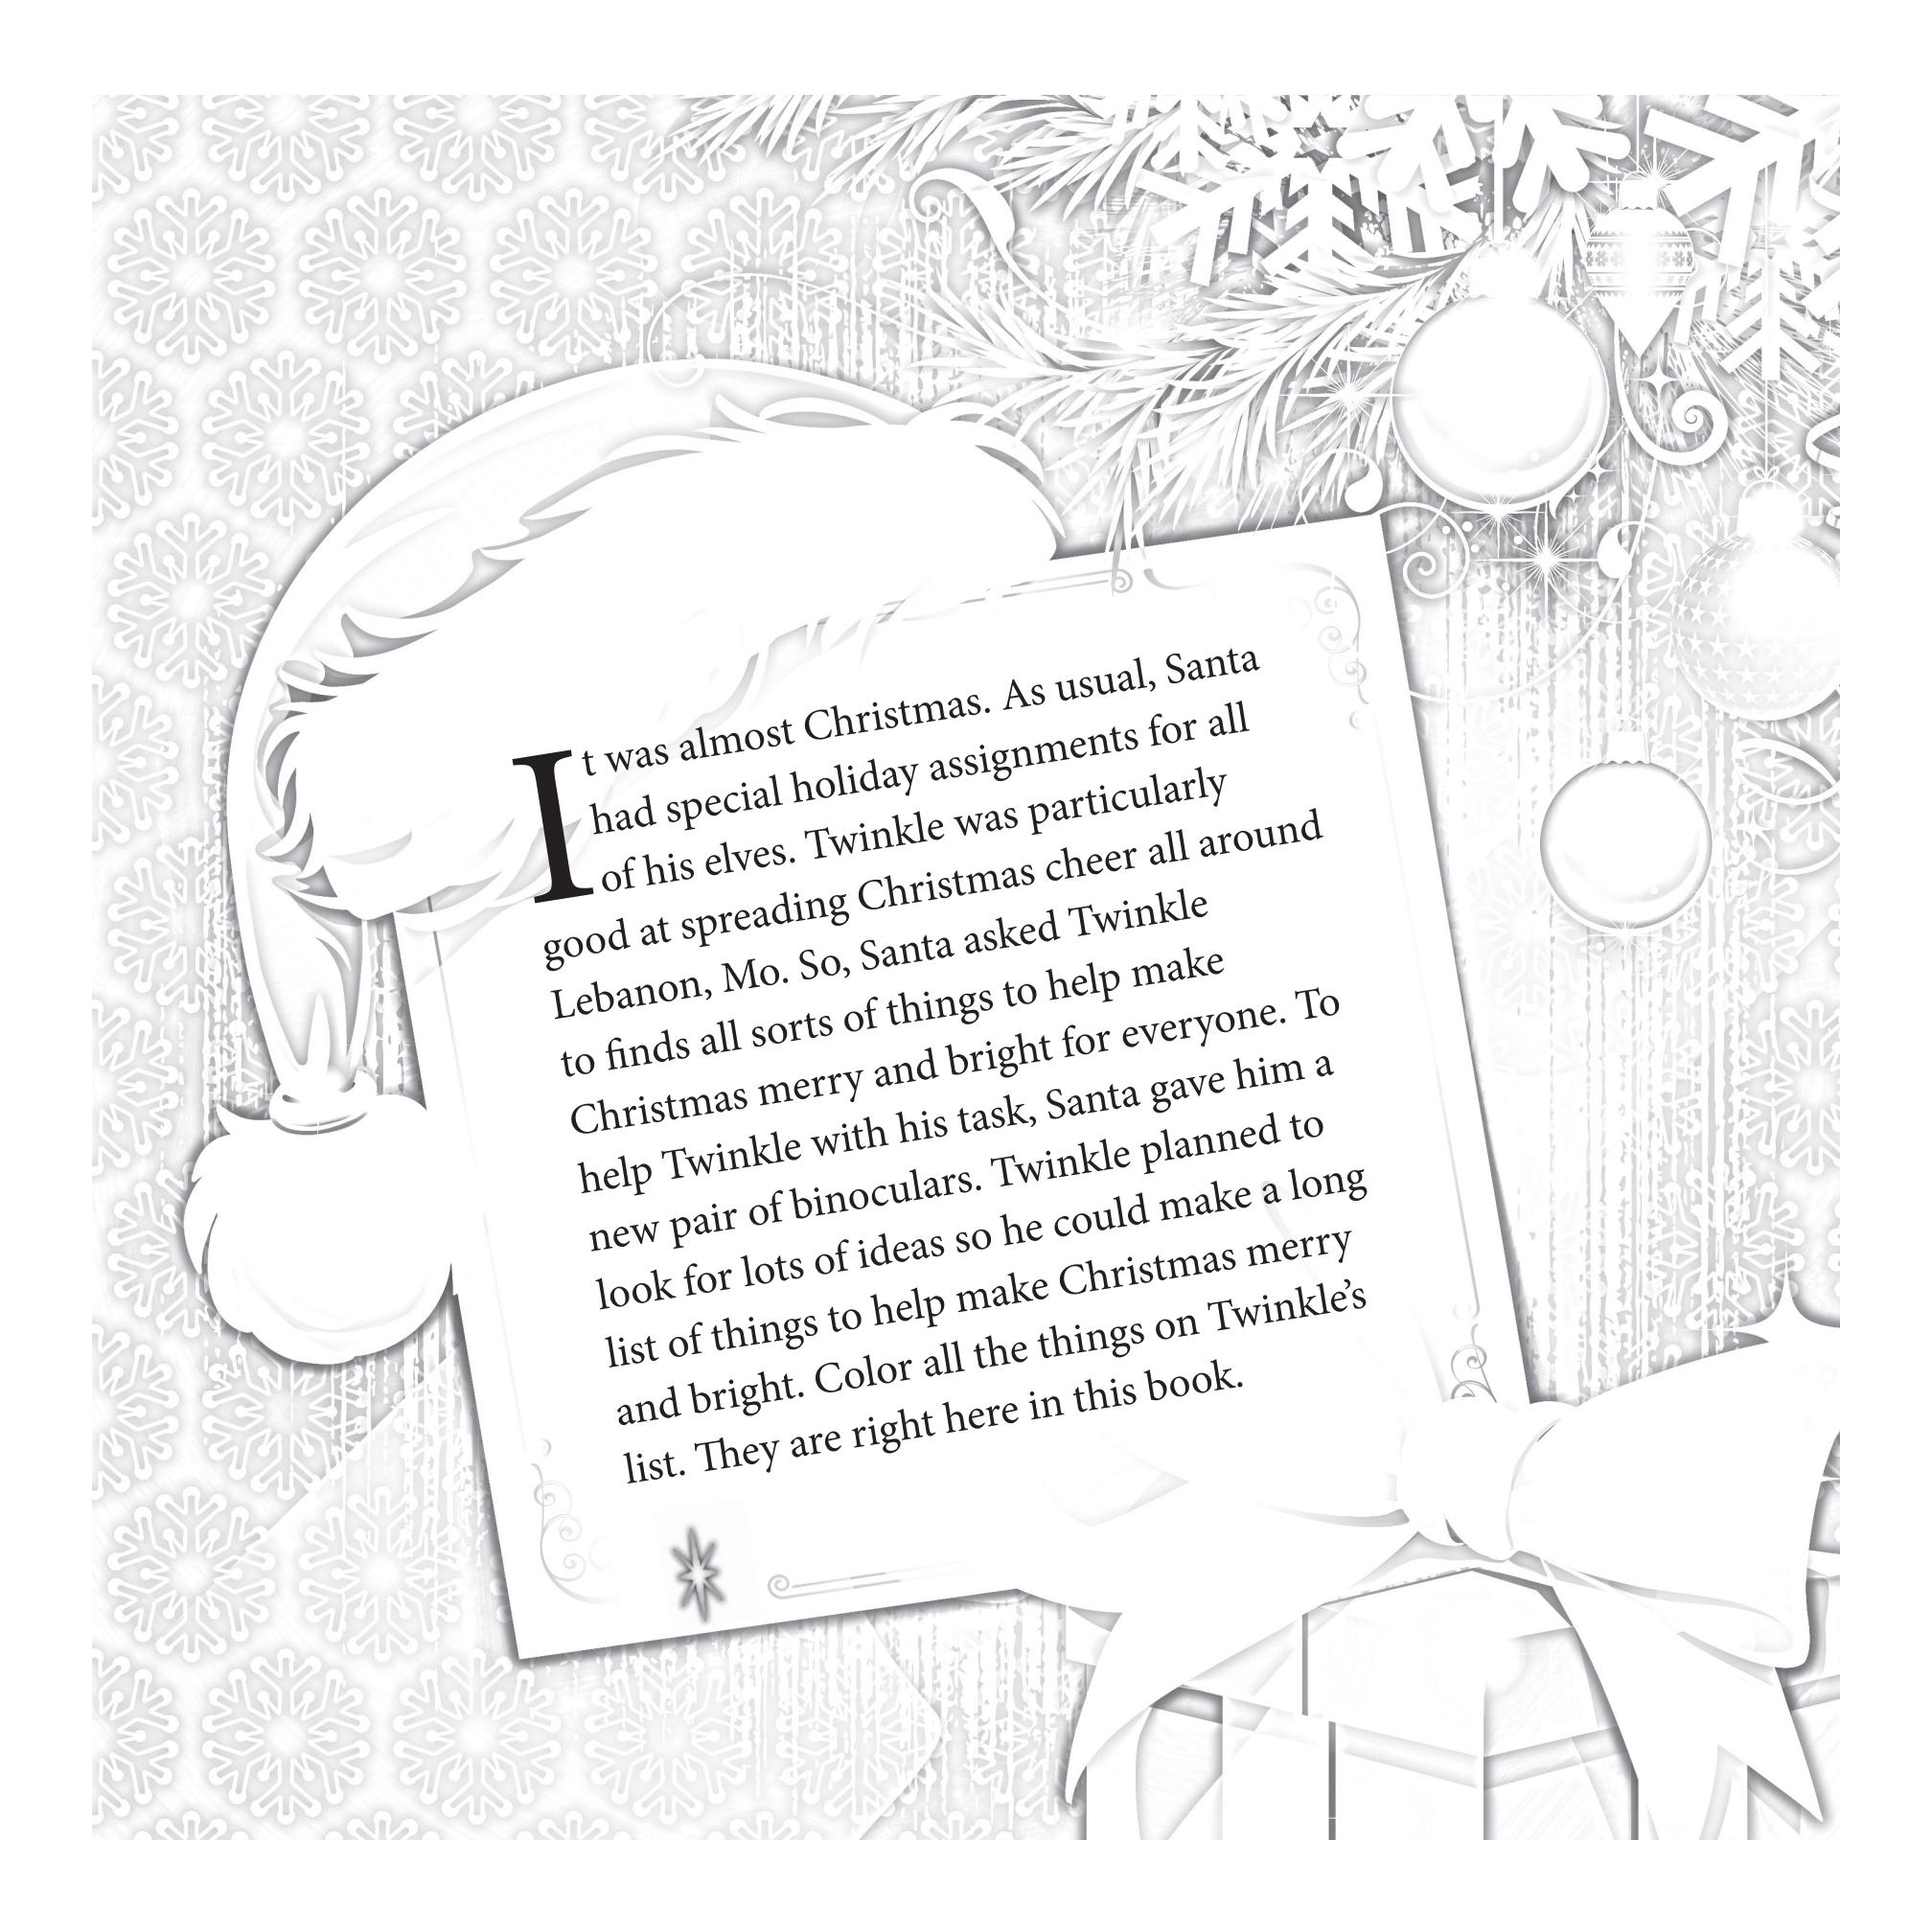

Meet Twinkle

He is the smallest of Santa's Elves.

He is so small he isn't much help making toys in Santa's workshop. So, Santa has a very special job for Twinkle....to spread Christmas cheer! Most people can't see Twinkle because he is so small. He looks like....well, a twinkle or a sparkle.

It was almost Christmas. As usual, Santa had special holiday assignments for all of his elves. Twinkle was particularly good at spreading Christmas cheer all around Lebanon, Mo. So, Santa asked Twinkle to find all sorts of things to help make Christmas merry and bright for everyone. To help Twinkle with his task, Santa gave him a new pair of binoculars. Twinkle planned to look for lots of ideas so he could make a long list of things to help make Christmas merry and bright. Color all the things on Twinkle's list. They are right here in this book.

Twinkle sparked
his way to
Commercial
Street and
looked in on the

Laclede County Record.
They were all busy covering
news about our community.

Twinkle saw stories about
the Christmas Parade, Share
Your Christmas, Christmas
on Commercial and Little
Miss Merry Christmas, just to
name a few. Being a part of
a community makes people
merry and bright so Twinkle
added “COMMUNITY” to
his list.

While Twinkle was thinking about Christmas in the Claus home at the North Pole, he decided his list would not be complete without adding the jolly old elf and his wife to the list as well. So, Twinkle added "MR. AND MRS. CLAUS" to his list of things to make your Christmas merry and bright.

“When you have your health, you have just about everything” is a saying Santa has shared with his elves many times. It’s difficult to be merry and bright if you don’t feel good. When Twinkle looked in on the medical professionals at Lake Regional Health System he saw so many happy, healthy people – both doctors and patients. Twinkle knew “HEALTH” had to be at the very top of his list.

Twinkle decided to rest at the end of his journey looking for things to make your Christmas merry and bright. He remembered Jesus is the reason for the season and knew his list would not be complete without adding “JESUS” to the list. Twinkle hopes everyone will remember Jesus all throughout the year as well as at Christmas. He also hopes everyone will attend Christmas Eve services.
